

CAPABILITY STATEMENT

"MAKING MAGIC WITH METAL SINCE 1972"

Company Info:

290 Employees
Non-union / privately owned
300,000 Sq. ft. of manufacturing space
4 business units on 72 acres

NAISC Codes:

336370 – Motor Vehicle Metal Stamping
541490 – Other specialized design services
333514 – Special Die and Tool, Die Set, Jig & Fixtures

UNSPSC Codes:

23000000 – Industrial Manufacturing and Processing
31000000 – Manufacturing Components and Supplies

Certifications:

IATF 16949,
ISO 9001/2015
ISO 14001
WBENC
WOSB

Cage Code:

4LT00

Engineering:

- CAD Services
- Product Development Design
- Tool Design and Tooling Simulation
- 3D Modeling for Engineering Evaluation
- Wire EDM & CNC Services

Prototype & Low Volume Production:

- Up to 2000 Ton Presses
- Kirksite & Steel Tooling
- Low volume Stampings & Fabricated Products
- Complex Stamped & Fabricated Assemblies
- Robotic Welded Assemblies
- Mig/Tig/Robotic Welding & Assembly
- CNC Machining
- 3 & 5 Axis Lasers

Production:

- Presses up to 1000 Ton Press w/transfer (96" X 240" Bed Size)
- 13 Fourslide Machines #1 - #4
- Finishing & Assembly
- Mig/Tig/Robotic Welding and Assembly
